Programme Modules

Module 01

Strategic Leader

Succeeding in today's rapidly changing and challenging organisational environment requires leaders with strategic thinking and the ability to make strategic and financially sound choices. This engaging module helps equip leaders with these crucial leadership attributes. The module expands participants' understanding of sound strategic management techniques and financial initiatives to allow them to excel as truly strategic leaders in their line of work.

Courses

Fundamentals of Strategic Management
Management of Financial Resources

Module 02

Service and Process Development for Executives

This Module focuses on innovative process development and the development of efficient public service delivery, as well as their implications for the customers and citizens' satisfaction. It provides a toolbox for the leaders to better understand the most useful approaches for efficiently blending services with technology, as well as delivering and managing services successfully.

Courses

Efficient Public Service Delivery
Design Thinking

Module 03

Driving Change

Change is inevitable. This module is designed to expose participants to concepts and best practices of managing and leading change in their organisations. The module also touches on modern technologies such as Artificial Intelligence and Blockchain to help leaders plan for the future when grasping the changes that these technologies may bring into the organisational environment.

Courses

Leadership in Technological Era
Fundamentals of Change Management

After completion of this programme, participants will receive a Certificate in Leadership . Qualified participants will also have additional advantage/consideration into the UONGOZI Executive Programme - Postgraduate Diploma in Leadership. Female candidates are strongly encouraged to apply.

About UONGOZI Institute

“Uongozi” means leadership in Kiswahili, and inspiring and strengthening leadership is the core purpose of our organisation. Based in Dar es Salaam and Dodoma, in Tanzania, UONGOZI Institute is dedicated to supporting African leaders to attain sustainable development for their nations and for Africa. This is done through the provision of high-quality executive education, facilitation of policy dialogues, action-oriented research and technical assistance for public and private institutions.

The Institute seeks to inspire leaders and promote the recognition of the important role of leadership in sustainable development. The Institute believes that:

- Leadership is the key to achieving sustainable development.
- The development of a leader requires specialised grooming.
- An African model of leadership is vital for achieving the most favourable development outcomes for Africa.

The Institute is a government agency established by the Government of Tanzania and supported by the Government of Finland.

About Aalto EE

Aalto University Executive Education (Aalto EE) offers high-quality executive education and leadership development services globally: customised solutions, MBA and DBA programmes, and open enrollment programmes. Aalto EE contributes to the creation of worldwide executive networks for its customers. Aalto EE's mission is to build a better world through better leadership and to educate a new generation of leaders with a global outlook and sense of diversity, integrity and social responsibility.

Aalto EE is supported and wholly owned by Aalto University in Finland, where art and science meet technology and business. Aalto University brings to Aalto EE offering of a multidisciplinary approach together with innovative learning methods; this provides a unique combination of practical expertise with Aalto University's latest research. Aalto EE holds the three most respected university accreditations and is ranked among the top 50 executive education providers by the Financial Times. Aalto EE has two strongholds: one in Helsinki, Finland and another in Singapore. Annually, clientele from over 1,000 companies benefit from Aalto EE's goal-oriented and comprehensive learning experience with a proven impact on both the individual and organisation.
